FINANCIAL HELP FOR CALIFORNIA’S UNDOCUMENTED IMMIGRANTS STARTS **MONDAY, MAY 18, 2020**

In April, Governor Newsom announced a one-time, $75-million fund for undocumented adults who are not eligible for other forms of government assistance, such as unemployment benefits and federal stimulus checks. A qualifying undocumented adult can receive $500, with a maximum of $1,000 per household. Applications are approved on a first-come, first-served basis, until the money runs out.

**ELIGIBILITY**

Applicants must be undocumented, over 18 years of age, ineligible for federal assistance related to COVID-19 such as the stimulus check or unemployment benefits, and able to demonstrate that they have faced financial difficulties as a result of the pandemic.

Organizations will verify the applicant’s documents to ensure they match the information provided and will make the final decisions.

To apply, undocumented immigrants should contact the group representing their area:
